

3rd year

REQUIREMENTS FOR PARASITOLOGICAL PRACTICALS

2019/2020 Second Semester

General regulations

Students should please wear their own favourably white labcoat.

It is forbidden to consume meals or drinks, and to use mobile phone in the practical room.

It is not allowed to take pictures or sound records in the practical room.

Students should follow the regulations of fire protection and safety instructions which are reviewed in the first practice.

No change of group is allowed after the second week.

Assessment of knowledge

According to the programme there is an entrance test of 5 multiple choice questions at the beginning of the practice. At least 2 good answers should be accepted to get pass mark. The results of the tests (1-5) will be shown during the next practice. **Anyone not passing the test must repeat it with oral or written examination from the given topics.**

Missing from the practice

Students should attend the practices with the same group except for official or medical reasons.

The missing practices must be completed on the same week with another group, with the prerequisite of notifying the course leader of the recipient group at least 1 day in advance, favourably personally in the reception hours (or in e-mail, which should be answered by the course leader). If the missing practice is not completed with another group, the student should have oral or written examination from the given topic.

Midterms

There are two midterm practical examinations from the previous practical topics during the semester. On these midterm exams each student will get macroscopic preparation, preparations on slides and pictures. **The practical midterm exams must be done (or if missed due to official, medical reason: repeated) with the original group of the student. Students who did not achieve the first midterm, are not allowed to continue with the practices of the second major topic.**

Prerequisites for completing the semester (i.e. getting the signature):

Participation on the practices, passing all written tests and midterm exams. **The number of failed tests and missing practices together cannot exceed 3 within a semester.** In case of 4 or more failed tests or missing practices the student must take an exam with the group leader from all lecture and practical topics of the semester.

Final practical mark of the semester

It will be calculated according to the results of two midterm exams, which may be modified by the results of the tests. The practical leaders will also consider the failed entrance tests.
