

4th year
REQUIREMENTS FOR PARASITOLOGICAL PRACTICALS
2019/2020 First Semester

General regulations

Students should please wear their own labcoat! Forbidden to consume meals or drinks, and to use mobile phone. It is not allowed to take pictures or sound records about practicals. Students should follow the regulations of fire protection and safety instructions which are reviewed on the practice.

No change of group is allowed after the third week.

Requirements

Students should attend the practices with the same group except for official or medical reasons. The missing practices must be completed on the same week with another group, with the prerequisite of notifying the course leader of the recipient group at least 1 day in advance, favourably personally at her or his reception hours (or in e-mail, which should be answered by the course leader). If the missing practice is not completed with another group, the student should have oral or written examination from the given topic.

According to the schedule there is a test of 5 multiple choice questions at the beginning of the practice (1 correct answer out of 4 in case of each question). At least 2 questions should be answered correctly to get pass mark. The results of the tests (1-5) will be shown during the next practice. **Anyone not passing the test must repeat it with oral or written examination from the given topic.**

There are two midterm practical examinations from the previous practical topics during the semester. On these midterm exams each student will get macroscopic preparation, preparations on slides and pictures. **The midterm practical examinations must be done in your practical group. Students who did not achieve the first midterm, are not allowed to continue with the practices of the second major topic.**

The number of failed tests and missing practices together cannot exceed 3 within a semester! In case of 4 or more failed tests or missing practices the student is examined by the course leader from all topics of the semester for getting the signature.

Prerequisites for completing the semester (i.e. getting the signature): participation on the practices, passing all written tests and midterm exams.
